(CISVA GOVERNANCE POLICY EDUCATION COMMITTEE -ELECTIONS 107 SECTION 1.3)

Rational

It is essential for the proper running of Catholic schools in the Archdiocese that the entire election procedure be in accordance with the spirit of the *Pastoral Letter on Catholic Education* issued by the Catholic Bishops of British Columbia, 4 November 2016, and with the election procedures outlined in this policy.

Policy

The nature of the Catholic school is to foster the Christian community in which faith grows and is nourished. All candidates who are nominated for election must be people of faith that are committed to Catholic schools and to the fostering of the Christian community in their parish. Nothing should be permitted during the election that would diminish the Christian community in the parish. There should be no campaigning during the election. Candidates should not be put in a situation where they would be asked to show why they were better qualified (had greater faith or commitment, for example) than someone else. Each parish having an Education Committee must accept the responsibility of running elections with the care and effort they require. The Nominating Committee must present a full slate of nominations, and the electorate must have the opportunity of further nominations. All nominees must be made known to the electorate in an appropriate way before the election. The quality of the nominees and the fairness and openness of the election will ensure that the people of the parish are well represented in the operation of their school.

Procedure

Eligibility to Vote Those eligible to vote for members of the parish and/or Regional Education Committee are Catholics who have reached the age of nineteen (19) and who are registered, participating members of the parish. Also eligible to vote are the non-Catholic spouses of all Catholics eligible to vote. It is the individual's responsibility to ensure that his/her name is placed on the Voters' List. A person may vote in only one parish. **Voters' List** The Voters' List consists of all registered members of the parish. The Voters' list is to be treated as privileged information. All copies of the Voters' List are to be returned to the Pastor for safekeeping and to remove any basis for complaints about the names of parishioners coming into the possession of those who may use them for unacceptable purposes.
