### **TRAFFIC AND CROSSWALK SAFETY DUTY**

We thank parents for their support with traffic and crosswalk safety duty. All spots have been filled for the year. The numbers posted on [signup.com](https://signup.com) were the minimum required. There is still a need for extra help at the crosswalks, especially on the corner of Waverley Avenue and Nanaimo St. We would also benefit from having a parent on 48th and Nanaimo Street. Please, contact the school office if you did not have a chance to sign up before the spots were filled. You are still required to complete 3 hours of mandatory duty. **Children cannot accompany their parents** when doing traffic and safety duty. Supervision is provided for your children.

### **THREE WAY CONFERENCE ON FRIDAY, OCTOBER 17**

A three-way conference allows students to take lead as they provide the teacher and their parents with examples of their progress and set goals. It encourages students to take responsibility for their learning and to share their work. It also fosters teamwork between the student, parents, and teacher. Each student will be given a 15 minute slot with their parents and teacher. Please ensure you are signing up for the correct class/ grade and only one slot. Once you select a time slot you cannot change. Click the link to signup.
